

**UNIVERSITÉ  
LAVAL**

Faculté d'aménagement,  
d'architecture, d'art et de design  
Cabinet du doyen

**CALL FOR APPLICATIONS  
DIRECTOR OF THE SCHOOL OF ARCHITECTURE  
UNIVERSITÉ LAVAL—QUÉBEC, CANADA**

Proficiency in the French language is an essential criterion for this position and will be evaluated during the interview.

**Shape the Future of Architecture at a Renowned Institution**

The School of Architecture at Université Laval is seeking a visionary leader to direct one of Canada's most dynamic architecture schools. Nestled in the historic Old Québec neighborhood, a UNESCO World Heritage Site, our School provides an exceptional learning environment where tradition and innovation seamlessly blend.

**YOUR MISSION**

**As Director, you will have the opportunity to:**

- Lead a prestigious architecture school to greater heights of academic excellence
- Develop innovative pedagogical approaches in the field of architecture
- Foster research and research-creation within a dynamic academic community
- Strengthen the School's national and international outreach
- Establish ties between academia and the professional community

**YOUR PROFILE**

**Essential Qualifications**

- Hold a professional degree in architecture
- Hold a university faculty position at the rank of Associate or Full Professor
- Have significant experience in academic management
- Showcase collaborative leadership and communication skills
- Have a good understanding of the architectural practice environment in Québec

**Assets**

- Knowledge of the School of Architecture at Université Laval and its programs
- An understanding of accreditation processes for architecture schools
- A well-established professional network on a local, national, and international scale
- A proven track record of innovation in teaching or research
- A proven ability to secure research funding

## KEY RESPONSIBILITIES

### Academic Leadership

- Lead the strategic development of the School of Architecture
- Oversee and enhance academic programs, including accreditation processes
- Encourage pedagogical innovation and teaching excellence
- Promote research and research-creation

### Administrative Management

- Manage the School's human and financial resources
- Coordinate teaching assignments
- Ensure compliance with collective agreements
- Oversee material resources with the support of an administrative coordinator

### Outreach and Partnerships

- Act as the School's ambassador within the university and to external organizations.
- Develop partnerships with the professional community and other institutions
- Plan and execute enriching events (lectures, exhibitions, competitions)
- Promote the success and visibility of students and faculty

## OUR OFFER

- An initial four-year renewable term
- The opportunity to join a leading university in a city with exceptional heritage
- A stimulating work environment within a School renowned for its excellence
- The possibility to significantly contribute to the development of architectural education

## APPLICATION PROCESS

### Candidates interested in applying must provide:

- A detailed curriculum vitae
- A letter of intent outlining their vision for the School and their suitability for the role
- Contact details of three professional references

**Application closing date: April 4, 2025, at 11:59 p.m.**

Please submit your complete application to: [doyen@faaad.ulaval.ca](mailto:doyen@faaad.ulaval.ca)

Université Laval is committed to promoting fairness in employment practices and fostering a diverse workforce.

### For external candidates:

Faculty integration arrangements will be discussed with candidates selected for interview.
